Hi all

Due to a high volume of interested applicants, many of you were not able to access the live webinar. We recorded a version of that webinar and posted it here: <http://lagreatstreets.org/challenge-workshop>

A reminder that this will be available in Spanish by the end of next week.

You can also find our slide deck on that same page.

Please let us know if you have any questions. Feel free to call Lilly O'Brien-Kovari at 213-978-6327 any time between 9 am - 5 pm. You can also email lilly.obrien@lacity.org to schedule a time to chat.

Thanks!

Hello,

Unfortunately, our Webinar is at capacity. If you are unable to get on, this is why. However, the presentation is being recorded and will be posted online. It will be translated into Spanish as well and posted in about a week. We apologize for the inconvenience.

Thank you,
